

Words, Art, Space

Original Writing. Abstract Compositions.

01 ART IN A SPACE

Self-initiated concept - not an installed project

THE PRACTICE

starkwrd is a Hong Kong based writing-led arts practice combining abstract wording, bold typography and mixed media. The work explores thought, duality and everyday experience.

ART FOR SPACES

Explore existing prints or discuss a bespoke piece for your space. Original wording and visual compositions are developed around an agreed theme, atmosphere or setting.

Bespoke artwork is delivered digitally for client-arranged printing and framing.
